RESOLUTION #12

Change in Dorms

Whereas it is oftentimes inconvenient for the students to receive change in all Western Kentucky University dorms and,

Since Western Kentucky University has appropriated coin vending machines in all dorm lobbies, which institute change for only twenty-five cents and under and,

Because the Resident Assistants that work at each dorm's desk are presently unable to give out any change,

Therefore be it resolved that Western Kentucky University shall place dollar bill changers in each dorm lobby or appropriate some alter means of giving out change. Thereby enabling students to receive change for coin vending machines, stamp machines and for other personal purposes.
